Awareness Programme on HIV/ AIDS

Govt. Degree College Vailoo Larnoo. April 23, 2022: Red Ribbon Club of the College organized an awareness Programme on HIV/AIDS in Collaboration with Block Medical Officer, Larnoo. Dr. Mohammad Ashraf was the speaker on the occasion.

Raof Ahmad Bhat, Ph.D, Nodal officer RRC while welcoming the Dais stressed on the need to organize awareness sessions and acquaint youth regarding this dreaded diseases. Due to lack of cure against HIV, awareness is the way forward to prevent AIDS, he added. He further added that reports indicated India's AIDS response as substantially successful, there is no place for complacency or to lower guard against this deadly disease.

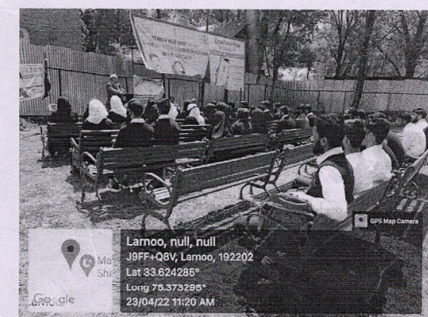

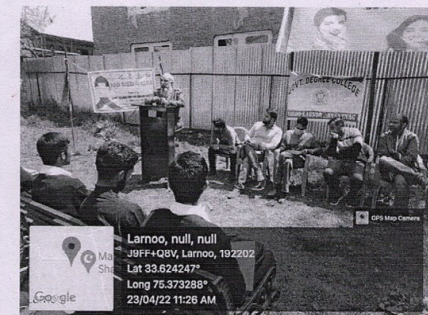

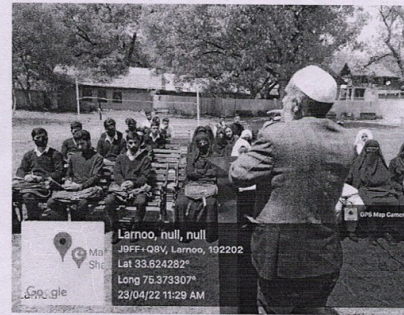

Dr. Ashraf while addressing the student community provided an overview of the modes of transmission, signs & symptoms, tests & treatments and highlighted the ways and means to keep safe from this deadly disease. He also emphasized the need to keep away from unprotected sexual contacts, unsafe blood transfusions, reuse of blades and syringes etc. Dr. Ashraf also discussed with the student community about the misconceptions and social stigma associated with the disease and stressed on the need and importance of community support for the patient. He encouraged students and staff members of the institution to get involved in raising awareness among masses about this dreaded disease and stressed that it is very important to prevent this deadly disease instead of looking for cure. Dr cautioned the student community that drug abuse particularly using syringes is becoming the responsible factor of increasing HIV cases and reminded them of their responsibilities as a member of the community in curbing this disease.

Firdose Ahmad Mir, Assistant Professor EVS extended vote of thanks by thanking Worthy Principal, Nodal Officer RRC, Dr. Ashraf Ahmad, BMO Larnoo and participants of the event.
