Event Summary Report PLANTATION DRIVE 06th May, 2024

On the 6th of May 2024, Government Degree College Vailoo Larnoo, in collaboration with the Department of Social Forestry, Government of Jammu and Kashmir, organized a significant tree plantation event. The endeavour was a joint effort led by the Landscape Committee, Eco Club, and NSS wing of the college, aimed at promoting environmental conservation and sustainable practices in the college.

The event kickstarted under the patronage of worthy Principal *Prof. Farooq Ahmad Pandith*, who deliberated on the importance of such activities. The tree plantation drive saw enthusiastic participation from students, faculty members, etc. With the guidance and support of the Department of Social Forestry, a variety of conifer saplings native to the region were carefully chosen and planted across designated areas within the college campus, with a hope in heart to see all these saplings survive and thrive. The event served as a hands-on learning experience for participants, highlighting the importance of tree plantation in not only beautification of the landscape, but more importantly in mitigating climate change and preserving biodiversity.

Furthermore, the initiative aligns with the larger vision of the college to foster a culture of environmental stewardship among its stakeholders. By engaging students and community members in such activities, Government Degree College Vailoo Larnoo aims to instil a sense of responsibility towards nature and inspire collective action towards a greener and healthier future for generations to come.

In conclusion, the tree plantation drive organized, stands as a testament to the commitment of the institution towards environmental sustainability and community engagement. Such initiatives not only contribute to the ecological well-being of the region but also serve as catalysts for positive social change and collective empowerment.

Mr. Syeed Mudasir Mushtaq, Assistant Professor and Head - Department of Environmental Sciences / Convenor Landscape & Beautification Committee; thanked the participants and the guests for sparing their time and energies for this noble cause and highlighted the importance of these events for the sustenance and survival of our planet.
