Press Release
 World Tuberculosis Day, 2022

Degree College Vailoo Larnoo, March 24, 2022: Red Ribbon Club (RRC) and Seminars & Debates Committee in collaboration with J&K AIDS Control Society organized a one day seminar on World Tuberculosis Day. Dr Kousar Ahmad, Medical Officer PHC Larnoo was the speaker on the occasion, received, heard and appreciated by the student community and faculty of the college.

Dr. Naseer Hussain, Principal of the college while welcoming the dais stressed on the need and importance of organizing these kinds of awareness sessions for greater good of students and community in general. Acquainting students and general masses about this deadly disease will be a real tribute to the society, added Dr. Hussain

Dr. Kousar Ahmad while addressing the gathering presented an overview of the devastating health consequences of tuberculosis. He asserted that since the dreaded disease has been curtailed to a large extent effectively, there is a need to keep an eye on it. Dr.Ahmad spoke in detail about causes, symptoms, preventive measures and treatment of tuberculosis and shed light on how drug resistance act as a major challenge in TB eradication. He stressed on the need for awareness among students and how students can act as ambassadors in advocating and promoting awareness about this deadly disease.

Raof Ahmad Bhat, Ph.D Nodal officer Red Ribbon Club carried out the proceedings of the event. The final take away from this seminar would be that students should aware the public of this far flung area regarding this dreaded disease, added Dr. Bhat. He also extended vote of thanks by thanking BMO Larnoo, speaker of the occasion, faculty members and participants of the event.
