Post-Event Summary Report WORLD EARTH DAY - 2024

Theme: (Planet vs. Plastics)

22nd April, 2024

Organizer: Department of Environmental Sciences, Govt. Degree College Vailoo Larnoo (J&K)

Collaborator: Eco-Club, Govt. Degree College Vailoo Larnoo (J&K)

Program Summary:

Every year on 22nd April, World Earth Day is celebrated with the aim to coordinate and streamline efforts for conservation of earth and its precious resources and every year a theme is designated for the same. This year, the theme of the earth day was "Planet vs. Plastics" which focused not only to increase public awareness of the harmful effects that plastic pollution has on the environment and its inhabitants, but also to spark a global movement to significantly cut back on the use and manufacture of plastics.

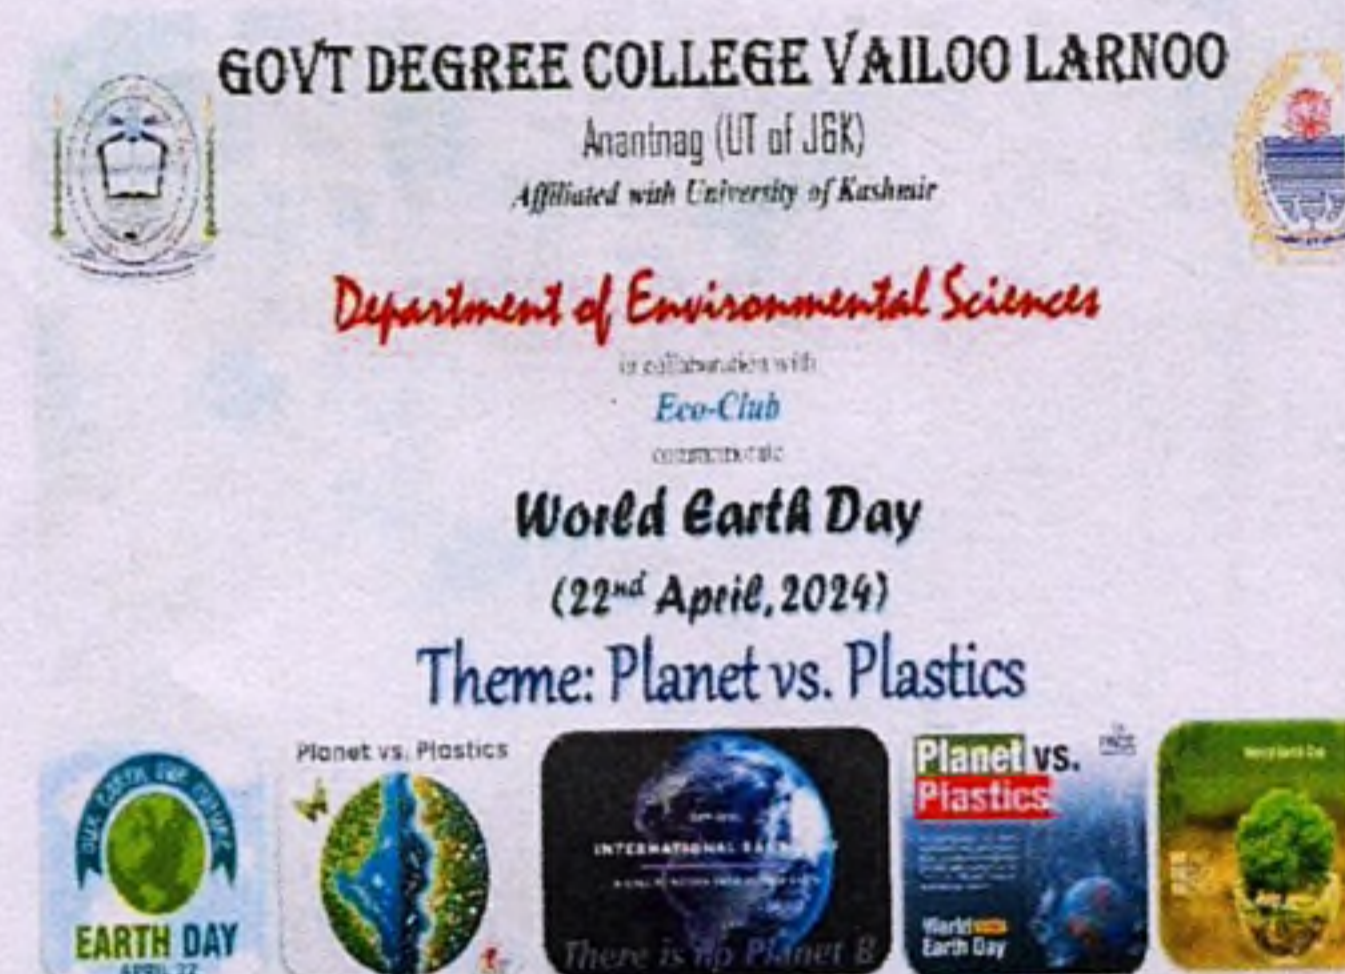

It's in this context, to commemorate World Earth Day, an event was organised by the Department of Environmental Sciences in collaboration with the Eco-Club of GDC Larnoo on 22nd April, 2024 in the college auditorium. The programme commenced around 12:30 pm in presence of the Principal - Prof. Farooq Ahmad Pandith, heads of various departments, faculty members and students in attendance. In his inaugural address, the worthy Principal - Prof. Farooq Ahmad Pandith deliberated on the magnitude of the various environmental problems faced by mankind today with special emphasis on the importance of the environmental balance and need to spread awareness amongst the public regarding the same.

After the inaugural, an expert lecture was delivered by Syeed Mudasir Mushtaq, Head - Department of Environmental Sciences, on the UN's theme for World Earth Day - 2024. The lecture highlighted the importance of such events, as these events, like Earth Day serve as a global reminder of the urgent need to protect and preserve our environment. He also deliberated on the menace caused by the plastics, particularly single use plastics. The lecture also highlighted the fact that it's a high time, we be stewards of the planet, and try not to overexploit it, as "We all have One Earth to Live". The students discussed various issues with the expert, and clarified their doubts.

The program was concluded at around 01.30 pm with a vote of thanks by Mr. Syeed Mudasir Mushtaq (HoD - Environmental Sciences).
