**Report**

**Degree College Vailoo Larnoo, May 18, 2023:** Department of Mathematical Sciences, Islamic University of Science and Technology, Awantipora Kashmir in collaboration with Degree College Vailoo Larnoo organized a Math Festival as a part of math outreach program IMPACT (Igniting Mathematical Potential and Creative Thought) under the banner of G20, which was attended by 80 participants both boys and girls from different schools of Larnoo area and 30 faculty/ staff/ students from IUST.

Dr. Syed Tanvir Indrabi, worthy principal of the college in his inaugural address welcomed all the guests and participants from different higher secondary and high schools of tehsil Larnoo and spoke about the importance of organizing such type of events and how it can help to erase the math phobia prevailing among school children.

Prof. Fozia S. Qazi, Head Department of Mathematical Sciences in his keynote address spoke about the Girde Theory and how we can present mathematics as fun and interesting subject. Later on hands on training on topics like 4<sup>th</sup> dimension, infinity, soap bubble math and math and art were given to participants from different schools of the area.

Dr. Raof Ahmad Bhat, Coordinator of the program extended vote of thanks by thanking Prof. S. Fozia Qazi and his colleagues, worthy principal, Dr. Syed Tanvir Indrabi, faculty members and students from different schools for making this event successful.
