Report

Under the banner of **Azadi Ka Amrit Mahotsav**, Red Ribbon Club of the college organized an extension lecture on "Role of Red Ribbon Clubs in reducing stigma and discrimination associated with people living with HIV AIDS (PLWHA)".

Dr Raof Ahmad Bhat, Nodal officer Red Ribbon Club while addressing the gathering stated that discrimination towards people living with this disease has been widely reported and fear of discrimination has been found to influence the use of HIV related prevention and care services. Dr. Bhat also asserted that these people not only face personal medical problems but has to face several social problems associated with the disease like stigma and discriminatory attitude. Red Ribbon Clubs in educational institutions seems to play a vital role in our society by educating the population with factual information on HIV/AIDS that will go a long way in reducing stigma and discrimination towards PLWHA community added Dr. Bhat.

Dr. Sajad Ahmad Bhat, assistant professor Islamic Studies carried out the proceedings of the event and extended vote of thanks.
